SUQ RESTAURANT

Our menu is a complete share plate experience, inspired by France, Italy, North Africa, Japan and The Mediterranean.

The best way to enjoy your evening at Suq is through the ancient tradition of sharing food.

Our kitchen is a small team of Head Chef Michael Guirguis and his assistant Chef preparing and serving everything in house.

We hope you enjoy your dining experience.

Each plate is sufficient for two people giving you the opportunity to enjoy 3-5 plates (not including dessert) from across the menu. For tables of 4 or more we advise one of each preferred dish per couple or please ask your waiter to ensure you have enough for your table if you would like to order a varied selection of dishes.
